## EVENT SPACES

A first of its kind in Mississippi, Cultivation Food Hall showcases a carefully curated collection of boutique restaurant concepts, specialty coffees and classic, craft cocktails. The food hall features the best culinary talent with an emphasis on local, chef-inspired concepts. Cultivation Food Hall offers a variety of great food, all under one roof.

## OUR SPACES

Cultivation Food Hall is a sleekly designed, multi-vendor dining destination and event venue in the heart of Northeast Jackson. Cultivation's Main Hall and dedicated event space, "The Living Room," are both available year-round for events that allow guests to enjoy some of the city's most praiseworthy dishes and drinks.

### MAIN HALL

The Main Hall is a modern, yet sophisticated space with Cultivation's vendor stalls flanking each side of the striking room. A focal point is Gold Coast Bar, the food hall's classic, craft cocktail bar. With its tall ceilings and signature logo lighting on the ceiling, the Main Hall is a versatile and grand space for large-scale events. With a complete buyout of Cultivation Food Hall, guests have exclusive use of both the Main Hall and The Living Room. This includes access to all food hall vendors and Gold Coast Bar. Cultivation Food Hall can tailor the space and menu to the needs or theme of the event. A buyout of the food hall is ideal for large-scale, private events.

### THE LIVING ROOM

Adjoining the main hall is "The Living Room," a handsomely appointed, dedicated event space offering dining tables and soft seating, as well as its own bar. The room's A/V system includes a full sound system, projector and screen, wired for internet or HDMI access. At over 1,200 square feet, this space is ideal for room rentals and catered events. Pricing will vary accordingly.

## EVENT STYLES

Between its grand space and talented vendors, Cultivation Food Hall can host a wide range of events. Whether it's an intimate gathering or spectacular occasion, Cultivation Food Hall delivers an unforgettable setting and culinary experience. The talented Cultivation staff can tailor the style and logistics of each event to best suit the occasion as outlined below.

### COCKTAILS & HEAVY HORS D'OEUVRES

Eat, drink and be merry in The Living Room or the Main Hall with cocktails and crowd-pleasing bites from one or more of Cultivation's vendors.

### HALLPASSES

Allow your guests to experience the variety of the food hall with a "hall pass." A hall pass is a pre-loaded card purchased by the event host that gives each guest the opportunity to order from their vendor(s) of choice. A \$20 per card minimum is suggested. Guests can peruse the vendors and order at their leisure. Mingle in the Main Hall or book The Living Room for a more intimate gathering.

### A CULTIVATED BUFFET

With exclusive use of The Living Room, Cultivation Food Hall can create a special menu in collaboration with one or more of the food hall's chefs and vendors. Meals will be served buffet-style and paired with a bar package and dedicated event service. The intimate setting of The Living Room and custom menus are ideal for brunches, showers, rehearsal dinners and other special occasions.
